Kia ora Maja

The information you requested – CAS-875740-R9Q6H3

Thank you for your request for information dated 12 March 2024 about how much of the project cost funded from the regional fuel tax was already spent on the zebra crossing at Litten Road, Cockle Bay, planning and Design, and how can AT at this stage be "progressing design as planned"??

As a committed project the design will progress utilising existing budgets that have not been affected by the cancelation of the RFT. Future budget allocation for the delivery of the wider programme of works that the project belongs to are still to be confirmed however, we cannot comment on a construction timeline at this point.

\$42,000 has already been spent on this project.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman in accordance with section 27(3) of the LGOIMA Act and seek an investigation and review in regard to this matter.

Ngā mihi,

Phil Wratt
